Dear Friends:

Greetings and blessings from Tahsis, B.C. Only through His grace and love do we press on through the leading of His Holy Spirit. We thank the Lord for His provision and say thankyou to all of you who have joined and supported C.O.M. with your prayer and financial support. Many lives have been, and are continuing to be touched through the ministry here in Tahsis. The need is so great and the workers are so few.

Christine and I have become weary at times, but God always comes through with the extra strength we have needed. We all have needs and I praise God for all the encouragement we have received over the past two months. Many people were sceptical at the opening of the ministry, and in these latter days, with good reason. But after witnessing what God had called us to, and seeing His awesome works and blessings, they have, for the most, changed their minds and joined us in love and compassion for those in need.

The May, Youth Retreat, led by Dan and Sheri Mcleod at Esperanza, was a fantastic success. Over 40 teenagers and 12 staff, came from several towns and communities on the Island and joined together for three days of sports, games, and listening to a guest speaker from Y.W.A.M. VANCOUVER. His message of how loving our God is and how much we all need HIM, touched many people, including myself. The next day, two teenage girls were baptized in the ocean! It was a great weekend and a privilege to be there. Tim and Tereasa Bird were there as mission staff and were a help to everybody. God bless them.

The 3 day seminar, May 30,31, and June 1st. is still having it's effects to this day. We had a class of 25-32 who received teaching and healing and are still working through some deep hurts from their past. The speaker and his wife, Richard and Bonnie Birkebak, stayed up to late hours counselling and praying with people. The teaching on forgiveness and freedom was very special. Ray and Jeanne McGregor from Victoria joined us for support staff and were a blessing to all. We had 14 people, including our family of 4, staying here at the base and we all had good fellowship and thanks to Christine, good food. Mike and April Conchie were a great help with baking and helping wherever needed. Everyone pitched in and enjoyed the blessings that overflowed.

Today, we have two guests staying with us and enjoy them very much. In three weeks the base will be almost full and we are looking forward with excitement as the summer approaches. More full time staff will soon be here to give Christine and I a much needed short break. To God be the glory, for ever and ever, Amen.

Christine

Dear friends;

WE are very blessed to announce the 1st. seminar that God has led us to present in Tahsis, on the West Coast of Vancouver Island. We hope you will join us as we seek to know HIM and make HIM known. AS David prayed in the Psalms (51:10) Create in me a clean heart and renew a right Spirit within me. Only then can we expect to teach transgressors THY ways and sinners return unto HIM. Sometimes we must examine where we are and be open to what the Holy Spirit is saying. Please join Christine and I in prayer for hearts to be open and eager to receive what GOD has for them.

IN HIS service

Dave

You are in our prayers.
